

## Southern Cross SC1:

Only one prototype of the Southern Cross SC1 was constructed, but this plane has worn 3 different colour schemes during its life:

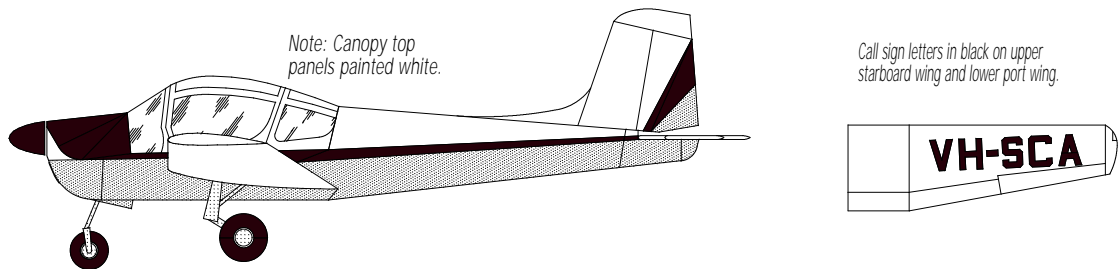

A) Original unpainted aluminium finish during flight testing at Oakey Aerodrome, Queensland (March 1961).

B) On display at Moorabbin Air Museum, Victoria (circa December 1970).

C) In storage at Moorabbin Air Museum, Victoria (September 1999).
